

## NEWS FROM THE APO

**Snack & Yacks:** This year we will be holding a series of Snack & Yacks for students in the pre-vet, animal sc and DVM programs (these are replacing the Whine & Dines). The idea of these are for you to tell us how your courses are going so far – the good, the bad and the ugly. The schedule over the next two weeks is:

Tue 29 March – DVM (12noon in CAHC Tutorial Rooms)

Wed 30 March – level III Pre-vet (12 noon in Richardson)

Wed 30 March – level III Animal Science (2pm in NRAB)

Thu 31 March – level I Pre-Vet and Animal Science - Snack : 12noon in the Tavern for pizza lunch, gold coin donation, funds to the Japanese relief and Yack 1pm Stefanson.

We will provide you with some food in exchange for some candid assessment of your courses.

**Careers Workshops:** I am currently planning some career workshops to run throughout Semester 1. Although these are aimed mostly at level III students, they are open to any students that want to attend. The 1<sup>st</sup> workshop is a talk by Prof Phil Hynd entitled “Where can my degree take me?” – this is the talk that Phil gave to level I and II students at O-Day this year to highlight the amazing potential of careers available at the end of your animal science degree (or Agriculture degree with a livestock emphasis). The talk will be on the 6th April at 12 noon in the Stefanson lecture Theatre (bring along your lunch).

**Census Day:** Reminder that Census Day is on 31 March – you should all re-check your enrolments on Access Adelaide and confirm that you are enrolled in all the correct courses for Semester 1.

Di Barton, APO

### A NEW TRADITION!

This year we are starting a Women's Soccer team at Roseworthy as part of the Adelaide University Soccer Club (AUSC). It will hopefully mark the start of a new tradition, following in the footsteps of other great sports teams before us.

As 2011 also marks the AUSC's 75<sup>th</sup> year, players at Roseworthy will receive a special edition uniform to keep (and with the customary pink Roseworthy stripe). Training will be one night a week, with games on Sunday afternoons. Our **first game is this Sunday the 27<sup>th</sup> March** and our first home game will be the week after on the 3<sup>rd</sup> of April at midday so come out and support the team!!!! We are also looking for helpers during the home-game teams so if you want to help out but don't want to play we can always use helpers!! Ioana Maguran-Pivas

Any queries please contact
