How my calls dig a creek bed.

Did my account have a lot to do with of thought behind?

Endeavour Island.

large lagoon full of Boi in luxuriant growth. ✓

quite good passage south of centre of east side - could be made excellent  
by blasting. ✓

large lagoon a flat now reached into a series of ponds.

notes made it a good big island, very <sup>or</sup> flat. Larger than Nintao ✓  
America deloytes made it about twice size of Nintao. ✓

The east ponds have a lagoon (back) in wet water and would be well  
be going zone lower than etc.

best preferred to take on the discovery of luxuriant growth  
whole island covered with greenery (size of 'wao' roots westward - ✓  
and large than Gilberts). ✓

with large lagoon area along S. side
