Welcome to all of our new students and welcome back to our existing students! We hope you are refreshed and ready to take on the year ahead!

NEW STAFF MEMBER

Andy Morran is the new Senior Student Systems Officer (previously called Academic Support Officer). You will find him in the reception area of the Williams Building. If you are in Animal Science, please speak to Andy about program advice and support. Emmica Schlobohm will continue to advise students in the Veterinary program.

Q-FEVER

Q-Fever is an infectious disease and the School has guidelines around Q-Fever vaccinations. It states that:

Bachelor of Science (Veterinary Bioscience) students **must be** vaccinated against Q-Fever (unless initial skin test indicates pre-existing immunity).

Bachelor of Science (Animal Science)

students are **strongly advised** to vaccinate against Q-Fever (unless initial skin test indicates pre-existing immunity).

For all new **Bachelor of Science (Veterinary Bioscience)** students you must be vaccinated by the last day of the first teaching period of their veterinary studies. **DUE: Friday 16th June 2017.**

NEWS FROM SAVS

How to provide evidence: Students must upload evidence of their vaccination to Sonia Online. Go to the 'Checks' tab and click on the 'Browse' button in the Q Fever Vaccination area to upload your evidence.

STUDENT REPS

We have a number of committees within the School that require student representatives. Thank you to all of our reps in 2016 – you did a fantastic job! Being a student rep is a great opportunity to see how programs are managed, develop your communication and leadership skills and gain valuable experience. We will be working with the relevant student groups to appoint students to these positions soon.

We look forward to seeing you all on campus throughout the year and wish you all success in your studies. Please do not hesitate to contact us should you have any questions or queries.

School Student Administration Team

Please email any contributions for the Roseworthy Student Newsletter to Rebecca at
rebecca.dunbar@adelaide.edu.au

Roseworthy Residential College

A big welcome to all college residents for 2017!

College O'week was a great success with many new and returning residents making friends and having some fun before the commencement of the academic year.

This year promises to be a great one and campus life is buzzing as we commence sports, our college social program and start getting into the studies.

Our official college welcome dinner is on Thursday the 9th of March in Roseworthy College Hall – looking forward to seeing you all there in our traditional pink and black colours!

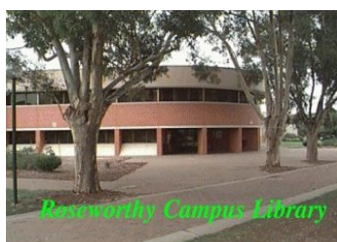

David Purdie

Manager, Student Services

Head, Roseworthy Residential College

O'Week

NEWS FROM THE LIBRARY

Welcome to all our new and returning students.

Enter the Library competitions to WIN!!!

Library Hours - Semester Times

Monday—Thursday	8.30am—6.00pm
Friday	8:30am—5:00pm
Saturday/Sunday	CLOSED

Library Quest

[Play now](#)

to discover how the University Libraries can support your studies (oh, and we should mention that you'll also be saving the world from a meteorite that's speeding towards your town).

Library Quest is a fun way to learn about the library and how we can help you with your studies. The game takes around 15 minutes to complete.

Play Library Quest or take a walking tour of the Roseworthy Library to go into the draw to

win either a \$500 or \$250 Coles Group and Myer Gift Card.

See [Competition terms and conditions](#)

Tell Us About Your Digital Life to Win!

The University would like to understand how you use technology to support your learning. We want to understand your needs and experiences, so we can make things better for you.

Participants have the opportunity to
win two \$50 VISA cards each week

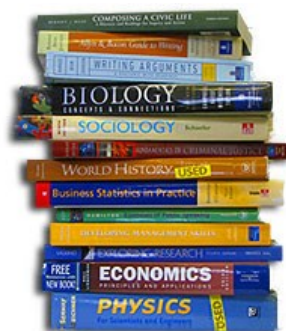

<http://www.adelaide.edu.au/library/digital-capabilities/survey/>

Swap/Buy/Sell Text Books

There are lots of ways to sell or buy your textbooks...

- Check out the Co Op Bookshop. <http://www.coop.com.au/sell-textbooks>
- Adelaide University Union (AUU) Online [Marketplace](#) list Textbooks, furniture and more.
- *uofa veterinary and animal science second hand book* page on [Facebook](#).
- AVSA Buy and Sell Page on [Facebook](#).

....Or the old fashion noticeboard.

Café

GRAB A PLATE, MATE! This year we are continuing the challenge of lowering the waste from the cafe for the environment and continued sustainability on campus.

We now will be only offering GLUTEN FREE and LACTOSE FREE sauces and gravy as we have been listening to your feedback throughout last year.

CHICKEN PARMI and steak sandwiches have made it back on to the menu!!!! Watch out for our specials, there are some tasty treats in store!

Join our email listings: 'What's for lunch' and "What's for dinner" and always know what the special of the day and dinner is going to be.

Pre-order your lunch and never miss out 8313 7815 (Sandwiches, baguettes etc orders by 10:30am if possible)

For assistance from the café please contact Cath Frankel 8313 7815 or email: roseworthy.cafe@adelaide.edu.au

The café is open Monday—Friday during semester from 8:30am to 5pm and 5:30pm-7:30pm for dinners.

Academic Dates and Critical Dates—Semester 1

For more information and all academic and critical dates please refer to www.adelaide.edu.au/student/dates/

Last day to add courses online	Mon 13 March
Due date for payment of upfront student contributions & tuition fees	Fri 17 March
Census Date: Last day to withdraw without incurring liability for student contributions or tuition fees	Fri 31 March
Last day to withdraw without failure (WNF)	Fri 5 May
Last day to withdraw fail (WF)	Fri 9 June
Exam period	Sat 17 June - Sat 1 July
Replacement exams	Mon 17 - Sat 22 July

STUDENT SUPPORT AND DISABILITY ADVISOR

Sally, Pippa and Katie would like to welcome you for 2017!

We hope you're as well rested as Pippa and ready for a great year.

Sally is available for appointments on Monday, Thursday and Fridays.

Appointments can be booked by emailing Sally, contacting Rebecca Dunbar in Student Services in Roseworthy College Hall, or by phone on 8313 7812.

If you have an appointment with Sally please announce your arrival to Student Services staff.

Email: sally.polkinghorne@adelaide.edu.au
Web: www.adelaide.edu.au/student/support/roseworthy

STUDENT SUPPORT/ COUNSELLING SERVICE

The Counselling Service is **FREE** and **CONFIDENTIAL** and is available to all enrolled students seeking to address issues that may be affecting their study and life.

Sally is available for appointments on Monday, Thursday and Fridays. Appointments can be booked by emailing Sally, or contacting Rebecca Dunbar in the Student Services office, or by phone on 8313 7812.

If you have an appointment with Sally please come to the Student Services office in Roseworthy College Hall and let the staff know.

THE DISABILITY SERVICE

Have you got a medical condition that impacts on your studies? Do you need support to manage this condition and your studies? If so, maybe you should register with the Disability Service.

The Disability Service can help you manage ways to accommodate your disability whilst at Uni so you can focus your energies towards your studies. We not only look at physical or practical assistance, but we also look at ways to improve study habits in the University environment. If you're worried about your privacy, please don't be. We value your privacy. Our strong commitment to confidentiality supports all students that we assist.

What types of disabilities do we support?

Student disabilities can include a wide range of issues:

- **Learning disabilities** (such as dyslexia, dyspraxia or writing and reading difficulties)
- **Medical conditions** (such as Crohns Disease, Chronic Fatigue Syndrome etc)
- **Mental illness** (an anxiety disorder such as OCD or PTSD, depression, bipolar disorder)
- **Sensory impairments** (vision or hearing)
- **Mobility issues**
- **Brain injury** (such as strokes or injuries caused by accidents)

Disabilities and conditions do not have to be permanent. We assist students with temporary medical issues such as those caused by sporting accidents (a fractured limb).

How can the Disability Service assist you?

We can work out ways that you can fulfil the expectations of your studies whilst maintaining the required academic standards. Sometimes people can feel overwhelmed about being faced with these expectations. Remember, it is not about avoiding these ex-

pectations; it is about working with them.

Some of the ways we can help

- Loan equipment
- Negotiating adjustments
- Assistance and confidence to approach lecturers
- Alternative exam arrangements
- Referral to other services

REGISTERING WITH THE DISABILITY SERVICE

If you think you may be eligible for this service please and would like to access support you will need to register first.

- As part of the registration process you will need to provide evidence of your disability or ongoing medical condition. If you have a Psychological Learning Assessment this can be used. If not you will need your medical practitioner or treating specialist to complete a Verification and Impact Statement (VIS) which can be downloaded from the Disability Service website. Please see link: <http://www.adelaide.edu.au/disability/checklist/>
- Other relevant information such as your SACE documentation or access plan from another university can also be uploaded.
- Once you have submitted the online registration form <https://www.adelaide.edu.au/disability/help/registration-form/> we will contact you to make an appointment.

If you have any questions or need assistance to complete the online registration form, please contact The Disability Service on **8313 5962** - Monday to Friday from 9:00am – 5:00pm.

STUDENT SUPPORT AND DISABILITY ADVISOR

6 Basic Survival Tips for Uni

Who's who of Roseworthy - Familiarise yourself & get to know who you need to know! course co-ordinators, Support staff (including the furry support – Pippa, Katie & Harry), Rebecca in the Hub, Accommodation staff (Lesley, David & Alyson), Tracey in the A&U office, Security and Café staff.... because nobody likes a hungry student...

Plan to Pass - Be organised & manage your time well, use planners, diaries, calendars, highlighters etc. Know what what's due when and set goals! Grab yourself a Roseworthy Uni Wall Planner or diary from Tracey the A&U. Plan to pass not to fail!

Ask - for help when you need it! Reach out to your classmates, course co-ordinators, lecturers and other support staff. There's no shame in asking and it's better to ask for help than struggle! We are lucky to have fantastic staff at Roseworthy and they're always happy to support you do achieve your best!

Get involved – getting involved at campus events, in Campus Clubs or joining a special interest group is a great way to get connected, settle in, make friends and help achieve some balance in your life. Our campus runs awesome events, has great sporting clubs and has Variety of SIGS. Just don't over commit yourself!

Balance – nobody wants to suffer from the dreaded feeling of being burnt-out! Ensure study isn't taking over your life. Make time for the things you love in life ie friends, socialising, exercise, rest, hobbies and spending time with family and friends.

Eat & Sleep well –stay well hydrated, eat a well-balanced diet (yes that includes chocolate too) and establish a good sleep routine. Wind down before bed and aim for 8 hours a night. I hear you laughing but if you want your brain to perform you must provide it with the right fuel :)\

And if all else fails come and get some fur therapy from our very enthusiastic canine support team. They're always happy to see you and they won't judge you.....even if you don't follow their 6 basic tips!

See Sally and the pups at O'Night—Thursday 9th March

Say hello to Sally on O'Night and grab yourself a FREE Zooper Dooper and Wagon Wheel.

Student Life... find out more

We understand that students manage a range of issues and face many challenges during their time at the University. We're committed to supporting you through these times and to build on your strengths and capacity to ensure you maximise your opportunities whilst at University and beyond.

Our Student Life supports are available to all enrolled students and are aimed at helping you, no matter what the issue or stage of studies you are at.

Student Health & Wellbeing

The University of Adelaide is committed to the health and wellbeing of all of our students. We have assembled a number of free resources that can help you get the most out of your life and study during your time here:

The UniThrive Ecosystem: website, blog, and mobile app built around the theories of positive psychology

Health & Relationships: information on the Australian healthcare system, sexual health, and relationships in an Australian context

Mental Health Awareness: we run a number of events and initiatives throughout the year aimed at raising awareness about the importance of good mental health at all of our campuses

If you would like to stay informed about student health and wellbeing events, resources, and other initiatives, please [subscribe to our monthly newsletter](#). You can also check out our [Student Health & Wellbeing website](#) or contact our Student Health & Wellbeing Project Officer, Ben Chandler (studentwellbeing@adelaide.edu.au)

Global learning—apply now for 2018 Exchange programs

Are you interested in studying part of your degree overseas? Applications are now open for exchange commencing in Semester 1, 2018. Get started now if you haven't already! Don't forget, exchange students from 2017 onwards are eligible to receive the \$2000 Global Learning Travel Grant to support their overseas study. More info about the grant and the application process can be found at <http://www.adelaide.edu.au/global-learning/>. Exchange has never been more affordable!

Applications close on June 16.

A large airplane wing is shown from a low angle, flying over a vast sea of clouds. The sky is a mix of blue and orange, suggesting a sunset or sunrise. The wing is dark and silhouetted against the lighter sky.

Global Learning Travel Grants

We'll help get you there

www.adelaide.edu.au/global-learning

Scholarships

Want financial support to study?

The University offers a variety of scholarships to undergraduate and postgraduate students. Scholarships are available for both new (commencing) and continuing students, and are awarded across study areas and to suit many different circumstances. Many are now open for applications.

For more information and to see which scholarships you are eligible for, visit the Scholarship's website:

<http://www.adelaide.edu.au/scholarships/>

International Student OSHC

Have you returned from holiday?

You can now claim holiday credit for your OSHC!

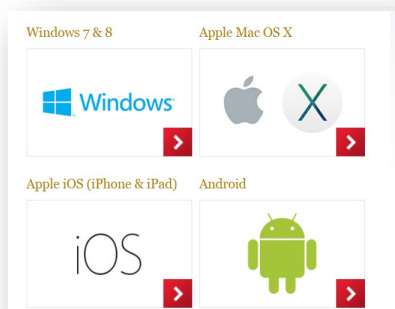

International students can claim holiday credits on their Overseas Student Health Cover (OSHC) for the number of months you were not in Australia during the summer holidays. Please note that you will need to claim within 30 days of your arrival back to Australia and you must be away from Australia for at least 30 days.

If you have an OSHC policy with the Allianz Global Assistance, you can meet the representatives at the Hub Central on North Terrace to apply for holiday credits, or ask for assistance to submit forms in the Roseworthy Student Hub on Roseworthy Campus.

Technology Services Self Help

You can access your University email account by logging into Unified or visiting the student webmail. The technology services website has [self-help guides](#) on how to access your email on a personal device.

<http://www.adelaide.edu.au/technology/selfhelp/>

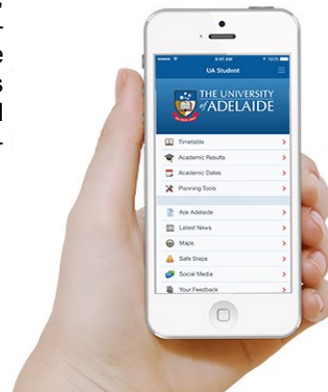

Need more help?

Phone Technology Services on 8313 3000.

UA Student Smart Phone App

The UA Student App keeps you informed on or off campus. Check your timetable, view Academic Results for your courses, keep track of Academic Dates; Get safety tips for on and around campus; Follow links to useful information; Keep up to date with events and news around the University and follow University social media.

Extra Mural Studies (EMS)

Extra Mural Studies (EMS) is a requirement for both Bachelor of Science (Veterinary Bioscience) and the Doctor of Veterinary Medicine. Bachelor of Science (Veterinary Bioscience) must complete 12 weeks of AHMS (Animal Husbandry Extra Mural Studies) and the Doctor of Veterinary Medicine students must complete 23 weeks of DVM EMS.

Welcome to our new students who will be starting EMS for the first time this year. There are currently two main systems that are used to manage your EMS placements.

[Sonia Online](#) is our student placement system used to search for possible placement sites, book and manage your placements and complete necessary forms and diaries. This system is managed by professional staff. Any questions please speak to Kat Ingram (Team Lead – EMS) or Mandi Simpson (EMS Placement Officer) (animalvetsci@adelaide.edu.au).

Canvas: Academic requirements are managed by Dr Wendy Hamood (EMS Co-ordinator) through Canvas. Any questions about Canvas, placement records, PLOs, reflective reports etc please speak to Wendy (wendy.hamood@adelaide.edu.au).

Critical Dates

EMS Placements take place in the University Vacation Periods. The dates for 2017 are:

Vacation Period 1	(10 Apr – 21 Apr) – includes Easter
Vacation Period 2	(3 Jul – 21 Jul)
Vacation Period 3	(18 Sep – 29 Sep)
Vacation Period 4	(20 Nov 2017 – 23 Feb 2018)

Please check the **Calendar** in Sonia for critical dates. Please note if you are intending to attend a placement overseas during Vacation Period 1 please inform the EMS Administration Office immediately.

Program	Form	Due Date
AHMS	Submit <i>Placement Preference Form – APRIL 2017 VACATION</i>	6 th March 2017
DVM	Submit <i>DVM Placement Request Form</i>	10 th March 2017
AHMS	Complete <i>AHMS Complete Student Placement Agreement</i>	24 th March 2017
DVM	Complete <i>DVM Complete Student Placement Agreement</i>	24 th March 2017

How to Book a Placement for Vacation Period 1

Bachelor of Science (Veterinary Bioscience)

If Veterinary Bioscience 2nd or 3rd year students wish to attend a placement in 10th April – 21st April go to [Sonia Online](#),

Forms tab, Select “*AHMS Placement Preference Form - APRIL 2017 VACATION 1*” and click ‘Add’. Students can join the relevant species specific placement groups to see available sites which can assist in completing the form. Please ensure you ‘Submit’ the form by the due date.

Please Note: Placements are not available for first year Bachelor of Science (Veterinary Bioscience) students until successful completion of Animal Handling and Husbandry in Semester 1.

Doctor of Veterinary Medicine

Doctor of Veterinary Medicine students should go to [Sonia Online](#), Forms tab, Select “*DVM EMS Placement Request Form*” and click ‘Add’. DVM students should only complete this form if they have already contacted the site and they have agreed to host them. Please ensure you ‘Submit’ the form by the due date. Students can view “*DVM Placement Allocation List*” through the ‘Details’ tab in this year Placement Group “DVM EMS MARCH 2017 TO FEBRUARY 2018” in Sonia Online.

Any Enquiries please contact the EMS Admin Team at animalvetsci@adelaide.edu.au

Track IT

The School of Animal and Veterinary Sciences is implementing Track IT, a web based system to track the Day One Competences of our vet students. Track IT will be rolled out throughout 2017 / 2018 across the DVM program. DVM students can access Track IT via Sonia Online.

For more information please speak to Kat Ingram (animalvetsci@adelaide.edu.au).

TrackIT

Sonia Online

Thailand Study Tour

On 21st January, 11 2nd/3rd year Vet Bio students travelled with Dr Stephen Pycroft to Bangkok for a two-week aquaculture and production animal study tour. Sunday was spent exploring the city, including scenic Lumpini Park and Chinese New Year markets.

Monday was our first placement day, at Rayong Coastal and Marine Conservation Centre & Muang Turtle Sanctuary, where we held and bled baby sea turtles - it was turtley incredible! Tuesday we learnt how to sedate and examine fish and performed necropsies on stingrays and shrimp at Rajamangala University. Wednesday was our 'cultural day' which we spent at the beautiful floating markets. Thursday consisted of tours around the Aquaculture Fisheries Research and Development Centre, Asian Institute of Technology & Tilapia Hatchery. The Institute of Marine Science at Burapha University on Friday was great as we learnt about the con-

struction and filtration systems of their aquarium and hand-fed stingrays! Saturday was the trip highlight, feeding and swimming with rescued elephants at Elephants World. Sunday was our well-needed day of rest & recovery, topped off with some sight-seeing and night markets.

Our second week was led by Dr Roy Kirkwood, starting with a tour around the Chulalongkorn University Small Animal Hospital (awesome) and an adrenalin-filled afternoon at the Thai Red Cross Society Snake Farm, complete with striking cobras and Burmese python cuddles. Tuesday we visited Thailand's largest piggery and Wednesday Chulalongkorn University's Large Animal facility. Thursday we visited Murrah Buffalo Dairy farm and tried milking buffalo observed the making of buffalo mozzarella. Chokchai Dairy on Friday spelled the end of our two weeks of placement and time in Bangkok.

We all developed greatly both as individuals and vet students, learning invaluable lessons about aquaculture and production animals in Thailand. We highly recommend the trip to students who may be interested next year, it's a once in a lifetime experience that you'll never forget!

Anu Francis & Charlotte McNeece
3rd Year Vet Bioscience

Student Associations, Societies and Special Interest Groups

For more information about Student Associations, Societies and Special Interest Groups within the School of Animal and Veterinary Sciences visit

RAPS—Roseworthy Animal Science & Postgraduate Students Society

A Message From RAPS

The Roseworthy Animal Science and Postgraduate Society (RAPS) is a newly formed club and aims to support Animal Science undergraduate and postgraduate students. As we are a new club we are always interested in new ideas and ways to support students and hope to help students feel welcome and supported at Roseworthy.

We have had several past social events including BBQs, a movie night, pancake breakfast and postgraduate lunches. We also support Animal Science students with information talks about upcoming courses and career options. RAPS has also helped with the Animal Science Careers night, with several industry and academic speakers attending. We have also supported postgraduate students in 3 minute thesis day and research poster days with assessments and awards for students.

RAPS would like to continue to build at Roseworthy and are always looking for new ideas and students to carry on support of Animal Science students.

RACSUC—Roseworthy Agricultural College Student Union Council

Roseworthy Agricultural College Student Union Council (RACSUC) is a representative body for all students of the Roseworthy Campus. Elected by their peers, the council provides regular events & activities throughout the academic year. In 2017 you can expect more sport on campus, more charity and social events such as quiz nights, having a larger environmental focus and having more social events, such as quiz nights.

New residents are introduced to life on campus through O-Week, held at the beginning of the academic year, while other highlights of the RACSUC event calendar include the annual Waite & Roseworthy inter-campus football and netball matches, rO'seBall & the second semester Charity Ball, these events providing a welcome break for past & present students alike.

Want to get involved with RACSUC?

Students are welcome to contact the association with suggestions or for more information via the email: racsuc@adelaide.edu.au or 'like' us on facebook. stay tuned!

AVSA—Adelaide Veterinary Students Association

The Adelaide Veterinary Students Association (AVSA) was founded by the first cohort of veterinary students at the University of Adelaide, in 2008.

The club has been designed specifically for undergraduate veterinary bioscience, and graduate Doctor of Veterinary Medicine (DVM) students to promote and maintain student welfare by organising and funding events, in addition to purchasing equipment and facilitating interaction with the wider veterinary community. The principles of the club are to encourage cohesion between new and continuing students across the year levels, and to provide an outlet for socialisation and learning outside of the academic field. AVSA aims for its students to become involved in the club and its activities, and to always represent the club in a positive and honest manner.

Membership fee is \$30 per student annually, and upon joining, members receive a membership bag and card. Membership offers many things including discounted events and merchandise, as well as a number of other dis-

counts provided by affiliated sponsor companies. Social events include a Term 1 pub crawl with the animal science students, a mid year ball, as well as O'week activities at Roseworthy. Other events include an Industry Night, with trade stalls from different veterinary-associated companies, and sponsored "Lunch and Learns", where a speaker will address the students at lunch time, on a topic of the sponsoring company's choice. As our student body continues to grow, AVSA's role becomes ever more important and will hopefully become an integral part of the veterinary student's education at the University of Adelaide.

Want to get involved with AVSA?

Sign up at O'Night in Week 1 or contact us via email.

Email: avsa@auu.org.au

Facebook:

<https://www.facebook.com/avsa.uofa>

SIGN UP AT O'NIGHT THURSDAY 2ND MARCH

AWAG—Adelaide Wildlife Appreciation Special Interest Group

This group is for all students crazy about wildlife. Throughout the year we run interactive and educational talks and events focusing on native and exotic wild animals. Some of the highlights include wildlife necropsies, a field-trip to Adelaide's own open-range Monarto zoo and our annual wine and cheese night.

Want to get involved with AWAG?

If you are interested, intrigued and inspired by weird and wonderful wildlife come along and sign up at our stall during O'week or email us:

awag@auclubs.com.au. Open to all Roseworthy students!

CASIG—Companion Animal Special Interest Group

For those passionate about the care of canines, felines and pocket pets. Open to all members of campus including University staff, this group aims to extend companion animal education beyond that offered in the curriculum. Previous lectures have included specialist vets, wet lab workshops (e.g. suture, spay, dissections) and excursions (greyhound racing, million paws walk, ASAVA conference). This year we're looking forward to a member's barbeque in first semester, cocktail night in second semester, multiple lunch and learns and practicals throughout the whole year and many other events to be announced. Ideally, our members will also spend time in the industry, beginning to network with those already in the profession through various volunteering opportunities.

Special Thanks to our 2017 sponsors:

Hills – Platinum Sponsor
Troy Laboratories – Gold Sponsor
CH2 Vet Care – Silver Sponsor
Purina – Silver Sponsor
Vetlink – Bronze Sponsor
Vetsbest – Bronze Sponsor
IDEXX – Bronze Sponsor
Wombaroo – Bronze Sponsor
Dog & Cat Management Board (DCMB) – Bronze Sponsor

Want to get involved with CASIG?

For more information, we can be contacted at

casig.adelaide@gmail.com

or visit our website

<http://casiguofa.wixsite.com/casig>

ESIG—Equine Special Interest Group

Our special interest group aims to provide students with a passion for all aspects of equine veterinary medicine, behaviour and welfare increased opportunities to expand and develop their knowledge and skills. We aim to provide networking between both staff and students and organise extracurricular activities that are of an equine nature. In previous years we have run events that include A Day at the Races at Morphettville Race Track, Rural Practice Day, Castration Clinics, Hoof Care Day and many more. These events have also been run in conjunc-

tion with a variety of academic discussions and lectures with experienced equine veterinarians and industry professionals.

Special Thanks to the 2017 sponsors of ESIG:

Randlab and Hygain.

Want to get involved with ESIG?

If you have any questions or would like some more information, please contact the ESIG's president

SIGN UP AT O'NIGHT THURSDAY 2ND MARCH

PASIG-Production Animal Special Interest Group

The Production Animal Special Interest Group (SIG), is aimed at students with an interest in one or many aspects of production animals including cattle, sheep, goats, pigs, chicken and fish. The group aims to encourage students from all years of study, degrees (Veterinary Science, Animal Science and Agricultural Science) and experience to be involved.

The Production Animal SIG intends to provide students with the opportunity to network with a broad range of production veterinarians, farmers and companies associated within each industry. We hope to provide a broad

range of lunchtime, evening and weekend information and practical sessions on the varying species relating to nutrition, husbandry and common diseases and problems associated with each species. Activities in the past have included lunch time talks, teaching cow sessions and Rural Practice Day.

Want to get involved with PASIG?

Feel free to contact PASIG's secretary Tanya Dean

PASIG-Pig Club

The University of Adelaide's "Pig Club" is a special interest group which focuses solely on, you guessed it, pigs! Pig Club aims to provide a fun and social environment for students of all degrees and year levels, with a passion for pigs, to learn more about them and gain valuable hands on experience. The club provides students with numerous opportunities to network and learn about the pig industry through lunchtime information sessions, farm visits and numerous social events. Students also participate in caring for and training pigs approaching the Royal Adelaide Show, and are encouraged to attend weekly training sessions to further their knowledge and skills in a fun, interactive and supportive environment.

Steers Special Interest Group

The Roseworthy Lead Steers team is a group that has been run at Roseworthy for over 20 years. Lead by Darren Koopman, the group focuses of the rearing, handling, nutrition, preparation and showing of show cattle. The group participates traditionally in the Gawler and Royal Adelaide shows and holds training twice a week in preparation for these events. A variety of breeds are

supplied by local breeders. This group offers a great opportunity to people with any level of experience with cattle to learn and gain experience and is a great way to meet new people. Anyone from Animal science, Veterinary Bioscience or Agricultural science is more than welcome to come and try it out.

Want to get involved with Steers?

For any further information contact Darren Koopman at

darren.koopman@adelaide.edu.au

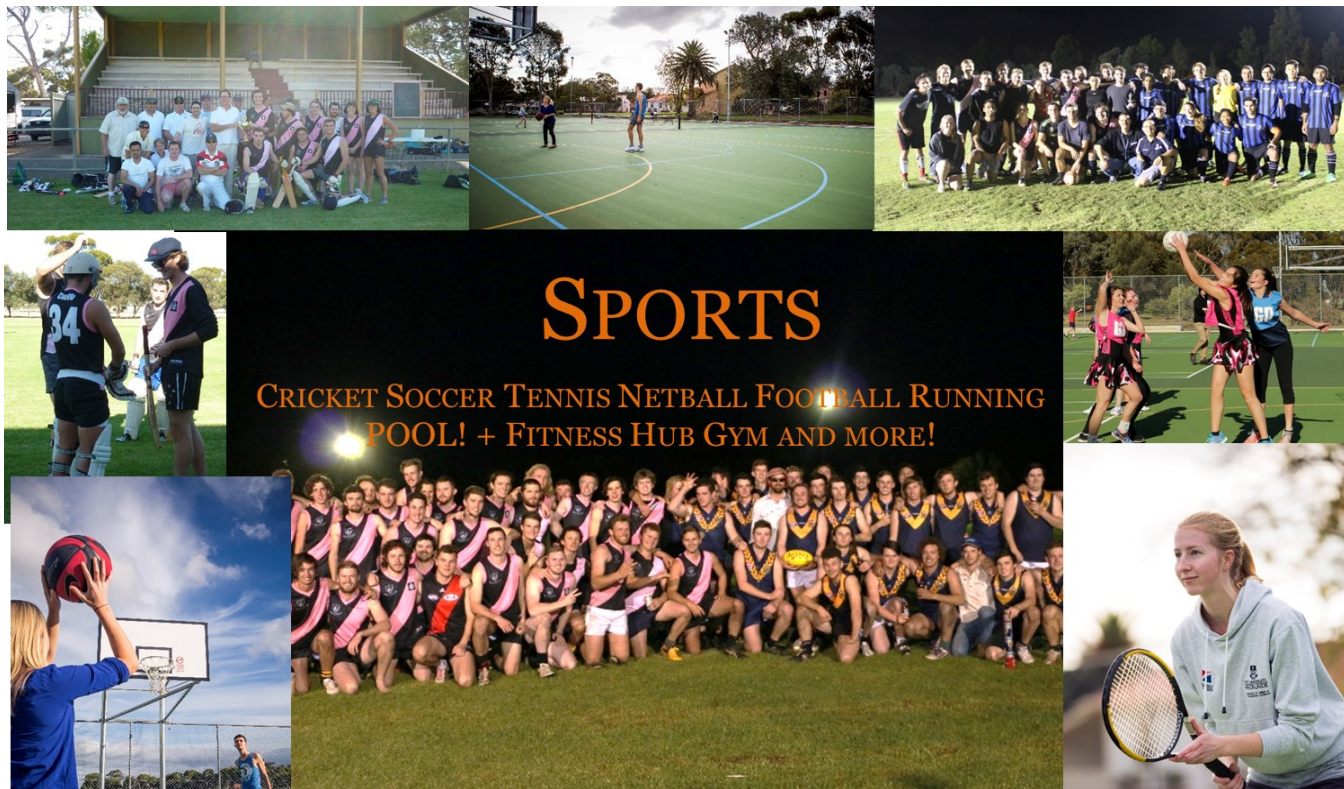

Look out for Steers SIG student leaders in early Semester 1!

SIGN UP AT O'NIGHT THURSDAY 2ND MARCH

Student Sport— Play. Support. Get involved.

We have **great facilities** on campus and in the local community. Many sports are played at Roseworthy. **Netball, basketball, running and tennis** are very popular. Around Tappos Lounge you will also find **pool, table tennis, darts**, etc. Check out the **swimming pool, hockey oval and main oval**.

Watch out for friendly competitions and matches held through out the year. Just to name one... the **20-20 Big Bash Cricket** game between staff and students is set for Thursday 16th of March on the Main Oval!

Roseworthy College Netball Club

If you like or are interested in...

- Staying fit
 - Playing netball
 - Getting involved in campus life
 - Having a few social jars
 - OR even just attending the many ripper social events the club are running this year
- ...then the Roseworthy College Netball Club (RCNC) could be for you.

Whatever gender you may be RCNC can cater for your netball and social needs, with women's rosters and mixed rosters running throughout the year at the Starplex. If transport is a problem we can pool, so you literally have no excuse not to get involved.

Mixed is play on a Tuesday OR Wednesday night, we will have enough players to have team involved in both rosters.

Women's is also run on a Wednesday night.

Both seasons start quick smart and we have arrangements in place to start our seasons earlier and to have bye rounds during the holidays and exams.

With the seasons fast approaching I need you to register your interest with me ASAP!

Now, I require a couple of details from you:

- A. Your name
- B. Competition you are interested in playing
- C. Any friends you wish to play with
- D. Which night best suits you
- E. Your preferred position
- F. An email address

Want to get involved in Netball?

To keep up to date with the going ons of RCNC follow us on Facebook at the link below!

<https://www.facebook.com/groups/366414983380263/>

Look for us at O'Night on Thursday 2nd March!

Don't hesitate to send me a message or email me, I am more than happy to answer any questions: EmmaLindaDavy@gmail.com

Hope to see you get involved this season,

Cheers,

Emma Davy

RCNC President

Inter-campus Shuttle + Roseworthy Campus-Gawler Commuter Service

The University operates an inter-campus shuttle bus between Roseworthy, North Terrace and Waite Campuses.

The fare for this service is \$2.00 each way and tickets are available from the bus driver. Contact the bus driver on Mobile 0427 448 011.

Regular northbound services arrive at Roseworthy Campus at 8:30am, 1pm and 7pm. Regular southbound services depart Roseworthy Campus at 8:40am and 4:05pm.

The Roseworthy Campus to Gawler Train Station and Return services are timed to link with the Adelaide-Gawler trains. This is a free service.

Services arrive at Roseworthy Campus at 7:50am, 8:45am, 1:45pm and 5:50pm. Services depart Roseworthy Campus at 7:50am, 1:10pm, 5pm and 6:10pm.

Timetables for both services are available from Student Services Office, Roseworthy College Hall and online:

https://www.adelaide.edu.au/infrastructure/campus_services/services/transportation/

Adelaide Metrotickets and Metrocards can be purchased from the Gawler Station kiosk.

Maths Learning Centre support for statistics

The Maths Learning Centre exists to help all students with the maths involved in their coursework, including statistics. Our Drop-In Centre is at the North Terrace Campus on Level 3 of Hub Central and is open even during university breaks – check our website for opening hours. Some questions we may even be able to answer over phone or email, so don't hesitate to contact us.

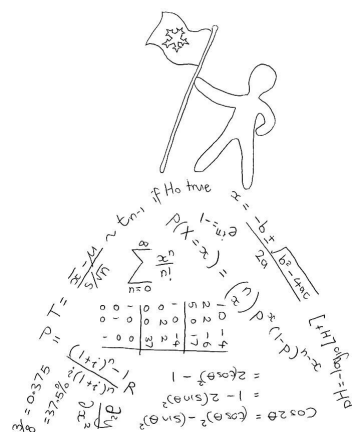

David from the MLC will be at Roseworthy throughout the year to be part of various classes in your courses. He can also come to run workshops or drop-in sessions if students or staff ask.

The poster features a yellow background with a string of colorful triangular bunting flags. It includes illustrations of four anthropomorphic animals: a deer with glasses and a purple shirt, a giraffe with glasses and a yellow shirt, a cat with glasses and a striped shirt, and a rabbit with glasses and a grey shirt. A gorilla is also depicted in the center. The text is arranged in a central column, with the event title at the top and details below. The logos for the union are at the bottom.
