Bera Women's Society

1. Mrs. Kunde is anxious to form a society for the women of Bera which will meet in the Government station every Thursday at 2.30 p.m.
2. at the meetings of the society will be discussed sewing and the cutting out of clothes, mending, embroidery, crochet and the making of all kinds of native articles for sale, as well as all other matters of interest to women.
3. Mrs. Kunde hopes that all the best women on the island will join the women's club. Membership, however, is not open to all women, but only to those who -
  - a. Have clean houses
  - b. wear clean, neat and tidy clothes.
  - c. are clean themselves and their children.
4. In future only members of the women's society can buy native goods for sale outside the island, or all those

who the first have brought goods for sale on  
Banda should come on Thursday to hear the new  
rules.

5. There will be an entrance fee of 1/- which,  
however, may be deducted from the price of native  
goods sold.
6. Any women who are interested in a Women's  
Society should come to the Commissioner's house at  
2.30 p.m. this Thursday.
7. on Friday at 2.30 p.m. Mrs. Hande is willing  
to teach any woman on the island, who is not a  
member of the Women's Society, how to sew or mend  
their clothes, how to cut out their clothes or  
make embroideries, Crochet or any other thing they desire.

## Notice to Tabrang Village.

Any members of Tabrang Village are invited to undertake the following works on the Government station :-

1. Build a large Barekai for Government Carols.
2. Level the land by the Doctor's house with sand.

The price for the two works together will be ten pounds provided the work is done quickly and well. If the work is not finished within one month the price will drop one pound for every week during which it is not finished.

There is no need for the village to do this work if they do not want to but if they do not accept by tomorrow night (Thursday) the work will be offered to another village.
