Raw Materials: Goods For Use In Technical Schools

BITUMEN ON LIST

CANBERRA, September 26 It was explained officially tonight that primage reductions announced to operate from today are mainly on raw materials and technical goods for use in industry and technical schools.

materials and technical goods for use in industry and technical solvent. The reductions of rax materials cover artificial efficiency of the properties of th

PRIMAGE EXEMPTIONS AND REDUCTIONS

Immediate Operation

Advice was received yesterday by the Acting Collector of Customs at Port Adelaide (Mr. J. N. Silk) that the Commonwealth Government has, by proclamation, scheduled a number of primage duties reductions and exemp-tions which are to operate from res-terday.

The revision provides for the exemp-tion from primage duties of the fol-lowing goods, both foreign and Bri-
