- Broken Hill District Hospital and Kalgoorlie Hospital approached faculty appealing for doctors, 145

**Three articles on “The tragedy of maternal mortality” are published on pages 49 and 52. The writer is identified only as The Lecturer on Public Health and Preventive Medicine at the University of Adelaide. So I can’t identify him quite apart from the oddity of the pages running from 49 to 52, that is there is no page 50 or 51.**

**These articles could also be entered under Medicine Study of.**

**There is an editorial comment on the three articles which I will put under Medicine, Study of. I’ll leave you to see if you can find who the author was and make an author entry. Apparently maternal mortality rates were rising, the effects of the Depression probably.**

Medicine, study of

- noted surgeons to visit Australia, 56
- annual conference of Assoc Physicians of Australasia held at Adelaide university, 2
- BMA donating two prizes in clinical medicine, competed for by fifth and sixth year students, 175
- fifth year medical students and some fourth year students will temporarily assist house surgeons at Adelaide hospital, 27 **entry for pages 7,10 not on this point**
- medical correspondent reported on discussions in Scotland on reviewing medical curricula, 14
- medical students will carry out routine duties at Adelaide hospital because of staff shortages, 15, 16
- final year medical students may be required to sign undertaking to work at Adelaide hospital on graduating, 20
- final year examination results, 24
- eleven medical graduates to begin work at Adelaide hospital, 36
- Dr J V Duhig urges changes to present Australian hospital system, 41, 42
- Adelaide doctor opposes Dr Duhig’s views, 42
- proposal that on graduating, all doctors should gain one year’s experience in a public hospital, 42
- medical course cost exceeds £400 per annum, 43
- provisions for training surgeons in Australia announced, 58

reports of medical progress, prolongation of life, health insurance schemes, 132  
 attracting doctors to navy, 125

- Muecke, W S??**name quals?**
  - elected vice president of university commercial students' association, 64
- Mullen, Brian Anthony, LL B,
  - graduated LL B, 65
  - his application for admission to the Bar raises important questions, 65

**Sue, you need to check that Mullen was granted an LL.B and when. I think he probably was, but some time later than this news item. The news item is phrased somewhat ambiguously. I guess what I am asking is can he have an LLB and yet not qualify for the Bar?**

**It is clear that Mullen had been doing his articles for 3 years which would suggest he had an LL.B. But is it that he didn't but the people employing him for his articles accepted his Dip Com as a substitute for some part of the LLB but then Justices Angas Parsons, Napier and Piper say no, you've done your arti**

**cles but can't be admitted to the bar because you don't have a full LL.B?  
I read the news clipping as supporting the justices not admitting Mullen til he goes  
away and does some more study, despite having done his articles but I can't judge this  
until seeing the date he was granted an LL.B. The fact that 3 supreme court justices  
were involved supports this interpretation.**
