### CULTURAL GIFT TO UNIVERSITY

### Self-Feeding Phonograph And Records

### REMARKABLE COLLECTION

### By H. BREWSTER JONES

The self-feeding phonograph in the hands of the Director of the Elder Conservatorium (Dr. E. Harold Davies), a photograph of which appeared in "The Advertiser" yesterday, is portion

of a munificent gift from the Carnegie Corporation of New York to the Ade-laide University in the interests of cultural research and study of music in many of its higher branches.

The College Music Set-which consists of musical records, full scores, re-North and of the Islands.
