Departmental review.

(1) At the end of the first year of probationary service the Head of Department shall consult all other members of the academic staff at Levels B,C,D and E so far as practical difficulties of communication allow as to the performance of a member of staff holding a probationary appointment. The consultation shall cover all the fields that are considered in a formal review of probationary service.

(2) The Head of Department shall give an assessment of performance and progress towards tenure to the member of staff holding a probationary appointment taking into account the outcomes of the consultations with other members of the academic staff.

8. Formal Review.

10. A member of the academic staff who wishes to be considered for further appointment shall submit an application and a curriculum vitae to the Appointments Committee. The application must provide full particulars of the applicant's activities in the fields of teaching, of research, scholarship and creative activity and of service with particular emphasis on achievements during the period of the probationary appointment.

11. Departmental Report.

(1) The Head of the applicant's Department shall forward to the Appointment Committee a report on the performance of the applicant in each of the fields of teaching, of research, scholarship and creative activity and of service. The report shall contain a recommendation as to whether the member of staff should be appointed with tenure or whether a further period of probationary appointment be fixed. In preparing the report and recommendation the Head of Department shall consult all other members of the academic staff at Levels B,C,D and E unless practical difficulties of communication prevent it.

(2) The applicant shall be provided with a copy of the Head's report and recommendation and may make written comments on it for submission to the Appointment Committee.

Chapter XIII.-Of The Angas Engineering Scholarship and the Angas Engineering Exhibition

Whereas on the 4th day of January, 1878, the Honourable John Howard Angas, M.L.C., paid the sum of £4,000 to the University for the purpose of permanently founding (with the income thereof and the annual grant payable in respect thereof under the fifteenth section of the Adelaide University Act), the Angas Engineering Scholarship and the Angas Engineering Exhibitions, to encourage the training of scientific men, and especially engineers, with a view to their settlement in South Australia: Now it is hereby provided as follows:

A. The Angas Engineering Scholarship

1. There shall be a scholarship called "The Angas Engineering Scholarship" of the value of \$800, with an additional allowance of \$200 for travelling expenses.

- 1A. The tenure of the scholarship shall normally be for two years, but if the scholar wishes to follow an approved course of study or research work at a university the Council may allow the whole value of the scholarship to be paid to the scholar in a shorter period than two years.
2. Each candidate for the scholarship must be under twenty-five years of age on the first day of the month in which he shall compete for it, and must have resided in South Australia for at least five years. He shall produce such evidence of good health as shall be satisfactory to the Council.
3. Candidates for the scholarship must have graduated in arts or science, or have passed all the examinations necessary for graduating in engineering at the University of Adelaide.
4. The scholarship shall be competed for biennially, in the month of June. If on any competition the examiners shall not consider any candidate worthy to receive it, the scholarship shall for that year lapse, but shall be again competed for in the month of June next ensuing.
5. The scholarship shall be awarded by the examiners on a comparison of the academic records of the candidates, and also on the merits of an original thesis, design, or investigation, as set forth in the next paragraph.

Each candidate for the scholarship must send in to the examiners, on or before 1 June of the year in which the competition is held, either an original engineering thesis or design, or a paper setting forth the results of an original scientific investigation made by the candidate in some subject allied to engineering. The subject of the thesis, design, or investigation, must have been submitted at least two months previously to the Faculty of Engineering, and approved by it. Each candidate must adduce, if required, sufficient evidence of the authenticity of his thesis, design, or investigation. He may, if the examiners think fit, be required to pass an examination in that branch of the work from which the subject of his thesis, design, or investigation, is taken.

Either the original or an approved copy of each thesis, design, or report of an investigation submitted by a successful candidate for the scholarship shall be deposited by the scholar in the University library before payment of any portion of the scholarship is made.

6. Within such time after gaining the scholarship as the Council shall in each case allow, the scholar shall proceed to the United Kingdom and there spend the whole of the time during which the scholarship is tenable in gaining engineering knowledge and experience in such a manner as may be approved by the Council; provided that the scholar may by special permission of the Council spend the whole or part of his time in study or practical training outside the United Kingdom.

7. The allowance for travelling expenses shall be paid to the scholar upon approval of his proposed date of departure. Payment of the balance of the scholarship shall be made in two equal instalments. The first instalment shall be paid prior to the scholar's departure and the other after the first twelve months, subject to receipt by the Registrar of satisfactory evidence of continuous progress in engineering studies, according to the course proposed to be followed by the scholar.

8. Whenever such evidence is not satisfactory, the Council may altogether withhold, or may suspend for such time as it may deem proper, payment of the whole or of such portion as it may think fit of any moneys due, or to accrue due, to the scholar on account of the scholarship, or may deprive him of this scholarship.

9. Should any successful candidate not retain the scholarship for the full period of two years, notice of the vacancy shall be published by the Council in the Adelaide daily papers, and an examination shall be held in the month of June next ensuing.

B. The Angas Engineering Exhibition

10. There shall be four Angas Engineering Exhibitions, of which one maybe awarded each year. Each exhibition shall be of the annual value of \$30, and be tenable for four years.11. (a) One Angas Engineering Exhibition shall be offered for competition in the month of November or December of each year, and shall be awarded on the results of candidates at the Matriculation Examination in such subjects as may be prescribed by the Council from time to time; but no award shall be made unless there is a candidate of sufficient merit.

(b) A candidate for an exhibition shall enter for it on a form to be obtained from the Registrar, not later than the first day of October in the year of competition.

(c) A candidate shall not be more than eighteen years of age on the 31st December in the year in which the examination is held, and, before being awarded an exhibition, shall have fulfilled the requirements for matriculation Examination.

12. A candidate shall not be more than eighteen years of age on the 31st December in the year in which the examination is held, and, before being awarded an exhibition, shall have fulfilled the requirements for matriculation in the Faculty in which he desires to enrol.

13. (a) Each exhibitor shall, within such time as may be approved in each case, enrol himself as a matriculated student in engineering or science at the University of Adelaide, and shall hence forward prosecute continuously and with diligence his studies for the degree of Bachelor of Engineering or Bachelor of Science.

(b) At the time of enrolment each year the exhibitor shall submit his proposed course of study for approval by the appropriate officer of the faculty concerned; and he shall not undertake, either in the University or elsewhere, studies not so approved.

(c) The exhibition shall be forfeited if the holder fails to make satisfactory progress in any year, unless such failure shall, in the opinion of the Council, have been caused by ill-health or other unavoidable cause. The decision of the Council as to such forfeiture shall be final.

14. Payment of an exhibition shall be made in three equal instalments, one at the beginning of each academic term, but payment shall not be made to any exhibitor whose conduct and diligence as a student throughout the preceding term have not been satisfactory to the Council. The decision of the Council on any such question shall be final.

15. Except by permission of the Council, an exhibitor shall not hold concurrently with his exhibition any other exhibition, bursary, or scholarship.

C. General

16. The sum of £4,000, paid to the University as aforesaid by the said John Howard Angas, shall be invested in such a manner as to entitle the University to the annual grant, equal to five pounds per centum per annum thereon, under the fifteenth section of the Adelaide University Act. The income (including such grant) to be derived from the said sum, or so much of such income as shall be sufficient, shall be applied in paying the said scholarship and exhibitions, and so much of such income as in any year shall not be so applied shall be at the disposal of the Council for the purposes of the University.

17. These statutes may be varied from time to time, but the title and general purpose of the scholarship and exhibitions shall not be changed.

Chapter XIV.— Of The John Howard Clark Prize and the John Howard Clark Scholar

Whereas the University of Adelaide has received and has invested the sum of £500 for the purpose of perpetuating the name of John Howard Clark: And whereas it was agreed with the donors that the word "income" in these statutes should include not only the interest to accrue from the said sum, but grants to be received from the Government in respect thereof:

It is hereby provided that:

1. There shall be an annual prize, to be called "The John Howard Clark Prize", which shall consist of one-half the annual income of the fund received by the University as aforesaid.
2. The prize shall be awarded to the candidate for the Honours degree of Bachelor of Arts who shall have been placed highest in the final examination in the school of English Language and Literature, and shall be judged by the examiners to have reached a sufficient standard.
3. If more than one candidate shall be considered by the examiners to have attained a standard worthy of the prize, the name of the second in order of merit shall be reported to the Council.
4. If the examiners shall consider no candidate worthy of the prize, they shall so report, and no award shall be made for that year; but there shall not, by reason of that lapse, be more than one prizeman in the following year.
5. The prizeman will be required to proceed to the degree of Master of Arts or Doctor of Philosophy by submission of a satisfactory thesis on a subject connected with the English language or with English literature and approved by the Faculty of Arts. The subject must be submitted for approval by the Faculty not later than the first day of April following the award. When the thesis has been accepted as fulfilling the requirements for the degree of Master of Arts or Doctor of Philosophy, the prizeman shall deposit an approved copy of it in the University library; he shall then receive a further payment of one-half of the income available from the

fund, and shall be granted the title of "John Howard Clark Scholar". If the thesis be not accepted as fulfilling the requirements for the degree of Master of Arts or Doctor of Philosophy, such payment and such title shall be withheld.

6. The prizeman may at any time during the year following the original award be called upon by the Council to give proof that he is devoting himself to the study of Literature, with a view to producing a sufficient thesis. If he fails to give such proof when called upon, or if in any respect he fails to comply with the conditions of these statutes or to comport himself to the satisfaction of the Council, he may, by resolution of the Council, be deprived of all further rights as a prizeman. In such case, or in case of resignation by the prizeman of his rights, the candidate who was placed second to him in the original award may be allowed, on such conditions as the Council may approve, to prepare and present a thesis and to qualify for the title of scholar.

2. The value of the scholarship shall be \$150, and shall be paid to the scholar in one sum.

3. The scholarship shall be awarded to the student who, being neither a graduate in medicine of any other medical school nor a person who has been registered as a medical practitioner in South Australia or elsewhere, has completed the whole of the last three years of the medical course in the University of Adelaide and has been placed highest amongst such eligible candidates in the final examination for the degrees of Bachelor of Medicine and Bachelor of Surgery in that year; provided that an award shall be made only if in the opinion of the Board of Examiners there is a candidate of sufficient merit.

(ii) If the assessor finds what appears to be a case of deliberate plagiarism, the assessor shall supply the Head of Department with the piece of work and a written statement of reasons for the belief that it is plagiarised.

(b) (i) The Head of Department shall inform the student in writing of the allegation, and shall interview the student with the assessor. The student may bring another person to be present at the interview.

(ii) If the offence is admitted, and if in the opinion of the Head of Department there are no significant extenuating circumstances, the work shall be given zero marks and the student shall fail the subject without the option of taking a supplementary examination.

(iii) If the offence is admitted, and if in the opinion of the Head of Department there are significant extenuating circumstances, the work shall be given zero marks, but the student may be permitted to resubmit the piece of work. (v) The Departmental Assessment Committee shall be a lower tribunal under the terms of Statute Chapter XII, and shall hear the case following the procedures required under that statute. If the offence is admitted the Committee shall consider the plea of extenuating circumstances and confirm or alter the penalty. (c) All cases of plagiarism, except marginal ones as provided for in clause 12(a)(i), shall be recorded in a confidential register of the Board of Conduct.

Other breaches

13. (a) If an assessor or a supervisor of practical work has reason to believe that a student has falsified or fabricated results or data in contravention of clause 3, the matter shall be reported to the Head of Department, who shall deal with it according to the procedure set out in clause 12(b).

(b) All cases where a student is found to have contravened clause 3 shall be recorded in a confidential register of the Board of Conduct. This record, and any kept under the terms of clause 12(c), shall be destroyed three years after graduation or five years after the student was last enrolled in the University.

14. If an assessor believes that a student has contravened clause 4, 5 or 8, the assessor shall notify the Head of Department, who shall deal with the matter according to the provisions of clause 12(b).

Appeals

15. A student may appeal to the Board of Conduct against a finding or penalty of a Departmental Assessment Committee. Where a student denies that a piece of work has been plagiarised, the Board may seek the advice of a person or persons with expertise in the subject matter.

Second and subsequent offences

16. If a student is found to have committed a breach of any of the foregoing clauses a second or subsequent time (other than a marginal case of plagiarism as provided for in clause 12(a)(i), the offence shall be reported to the Board of Conduct which, subject to the provisions concerning mediation in Statute Chapter XII. - Of Conduct of Students in the University, shall hear the matter and may impose further penalty as provided for in that Statute.

Prejudicial conduct

17. If a student admits, or is found to have committed, conduct in breach of any of these clauses which prejudices the interests of other candidates in an examination or the integrity of an assessment scheme itself, the Head of Department shall refer the matter to the Board of Conduct, which may impose any penalty authorised under this Statute or in Statute Chapter XII.

Statute allowed 3 January 1907.

System of Voting— Rules made by the Council under the authority of Clause 10 of Chapter LXXXV of the Statutes

A. VOTING SYSTEM

The system of voting in any election of members of the Council shall be the adapted Nanson-Baldwin system, as follows:

1. Every voting paper shall be in the form following or to the like effect that is to say:
"DIRECTIONS

- *i. The voter shall indicate the order of his preference by writing whole numbers (1, 2, 3, ...) opposite the names of all or some or one of the candidates.
- *ii. No number used shall be greater than the total number of candidates.
- iii. A number opposite the name of a candidate shall indicate a preference for that candidate over each candidate opposite whose name a higher number or no number is written.
- iv. Candidates against whose names the same number is marked shall be regarded as being equally preferred by the voter.
- v. All candidates against whose names no number is written shall have the lowest degree of preference.
- vi. An elector who spoils a voting paper may, on returning the spoilt paper to the Returning Officer, receive another voting paper.
- vii. Do not put opposite the name of any candidate a tick /, a cross x, a dash -, a zero 0, or any mark which is not a whole number.

Order of Voter's Preference	LIST OF CANDIDATES (Names to be inserted in alphabetical order of surnames)
-----------------------------	--

Do not sign this Voting Paper."

2. (1) The voter shall indicate the order of his preference by writing whole numbers (1, 2, 3, ...) opposite the names of all or some or one of the candidates. A number opposite the name of a candidate shall indicate a preference for that candidate over each candidate opposite whose name a higher number or no number is written. Candidates against whose names the same number is marked shall be regarded as being equally preferred by the voter. All candidates against whose names no number is written shall have the lowest degree of preference.

(2) A vote shall be informal if:

- (a) a mark other than a whole number is shown opposite the name of the candidate; or
- (b) a number is used which exceeds the total number of candidates.

3. (1) The number of preferences for each candidate over each other candidate shall be ascertained in the manner hereinafter set out.

(2) Each ballot paper shall be allotted points in accordance with the formula $0 + 1 + 2 + \dots (N-1)$, where N is the number of candidates. If, on a given ballot paper, no two candidates are grouped together as having the same merit, the candidate of last preference receives no points, the one of penultimate preference one point, and so on, so that the most preferred candidate receives (N-1) points. If, however, several candidates are grouped together, then the corresponding points are added, and distributed equally between them. For the purpose of this rule two or more candidates for whom no preference is shown shall be regarded as comprising the least preferred group and shall share equally the corresponding points.

(3) The candidate with the highest total number of points shall be elected. If two or more candidates tie for top place, and there are at least the same number of vacancies then both or all shall be elected. If the number so tying exceeds the number of vacancies the result shall be determined by lot.

(4) When one or more candidates has been elected and there remains a further vacancy to be filled all references to the successful candidate or candidates is notionally eliminated from every ballot paper and the process described in sub-paragraphs (2) and (3) hereof shall be repeated.

*In any election by the Convocation of Electors, i.e. one in which more than one group of candidates is involved, these two directions shall be replaced by the following:

- i. It is not necessary for a voter to vote in both groups A and B below. In each group in which he desires to cast an effective vote, the voter shall indicate the order of his preference by writing whole numbers (1, 2, 3,...) opposite the names of all or some or one of the candidates.
- ii. No number used in a group shall be greater than the total number of candidates in that group.

B. PROCEDURE FOR VOTING BY THE CONVOCATION OF ELECTORS

4. (1) All members of the convocation of electors are entitled to vote in an election of members of Council; provided that a member of the convocation who is registered as an undergraduate of the University and who votes in an election of members of Council in that capacity shall not in the same year be entitled to vote in the capacity of a member of the convocation of electors.
- (2) When the number of candidates in any election or in any category of any election exceeds the number of places to be filled, the Returning Officer, at least ten days before the appointed day for the election, (a) may cause a voting paper and other information to be posted or otherwise sent to the last known address of every member of the Convocation of Electors whose address is held by the Returning Officer and (b) shall cause a voting paper and other information to be posted or otherwise sent to every person on the postal address list maintained for the purposes of elections of Council members, provided that, in the case of any elector who is registered as an internal full-time higher degree student of the University or any person who is an employee of the University or the Union, the Returning Officer may regard the relevant Department of the University or the Union as being the last known address.
- (3) For the purposes of Clause 4(2) the voting paper and other information to be posted or sent may be incorporated in a University publication.
- (4) Any member, who on the first day of the month in which the appointed day falls is entitled to vote and has not yet voted, may request a voting paper from the Returning Officer on or before the appointed day and the Returning Officer, if satisfied that the member has not yet voted, shall comply with the request.
5. (1) The Returning Officer shall cause a postal address list to be maintained. The postal address list shall contain the names and addresses of all members of the convocation of electors who have given written notifications of a wish to receive voting papers.
- (2) The postal roll of the convocation of electors maintained according to Rules made under this Statute and in force immediately prior to the date these Rules take effect shall be the initial postal address list.
- (3) For the purpose of keeping the postal address list up to date, each person who from time to time becomes a member of the convocation of electors by virtue of graduating, enrolling as a postgraduate student or joining the full-time staff of the University or the Union shall be invited to indicate whether his or her name should be placed on the postal address list.
- (4) The postal address list shall be reviewed regularly to determine whether persons who have gained entitlement to membership of the convocation of electors by virtue of being a postgraduate student or a member of the full-time staff of the University or Union remain so entitled on the first day of the month in which the election occurs.
- (5) The postal address list shall be revised in June of the fourth year after this rule comes into effect and every fourth year thereafter by verifying whether persons on the list wish to continue to receive voting papers and by ascertaining whether any eligible persons whose names are not on the list wish to be added to it. For the purpose of such revision (a) the Returning Officer shall invite each person whose name appears on the postal address list to indicate whether the name should remain on the list; and (b) the Returning Officer shall advertise in the daily Press of South Australia that a revision of the postal address list is being conducted. Such advertisement shall state that the name of any member of the convocation of electors will be entered on the postal address list on receipt of a written notification from the member to the Returning Officer of a wish to receive voting papers. The advertisement must state that the notification shall include appropriate information on the member's eligibility, including, in the case of a graduate member, the member's degree and year of graduation.
- (6) The Returning Officer shall cause to be entered on the postal address list the name and address of any member of the convocation of electors who at any time gives written notification of a wish to be entered on or restored to it. The notification shall include appropriate information on the member's eligibility, including, in the case of a graduate member, the member's degree and year of graduation.
- (7) The postal address list shall be available at all reasonable times for inspection by any member of the convocation of electors.
6. (1) A voter shall (a) place the voting paper inside the smaller envelope provided by the Returning Officer, seal the smaller envelope, place it inside the distinctive outer envelope provided by the Returning Officer, and seal the distinctive outer envelope; (b) give, on the back of the distinctive outer envelope, his or her name, address and signature; and (c) either place the

envelope in a ballot box in the University grounds or post or deliver it to the Returning Officer at the University.

(2) No vote shall be counted unless the distinctive envelope containing it is placed in one of the ballot boxes provided for the purpose by the time specified in paragraph (3) of this Rule, or otherwise reaches the Returning Officer in his office in the University by 5.00 p.m., on the appointed day for the election.

(3) For the purpose of paragraph (2) of this Rule, the time specified shall be (i) In respect of a ballot box located close to the venue for a meeting of the University Senate to be held on the appointed day for the election: 8.00 p.m., or (ii) In respect of any other ballot box: 6.00 p.m.

PROCEDURE FOR VOTING BY UNDERGRADUATES

7. (1) All registered undergraduates of the University are entitled to vote in an election of members of Council to be elected by undergraduates; provided that a registered undergraduate who is a member of the convocation of electors and who votes in an election of members of Council in that capacity shall not in the same year be entitled to vote in the capacity of an undergraduate.

(2) Whenever an election of members of the Council by undergraduates is to be held, the Returning Officer shall, at least ten clear days before the appointed day for the election, send a voting paper and other information to each undergraduate whose name is included in the postal address list (undergraduate) on the first day of the month in which the appointed day falls.

(3) The voting paper and other information shall be posted or otherwise sent to the private address of each undergraduate as shown on the postal address list (undergraduate).

(4) Any registered undergraduate, who on the first day of the month in which the appointed day falls is entitled to vote and has not yet voted, may request a voting paper from the Returning Officer on or before the appointed day and the Returning Officer, if satisfied that the undergraduate has not yet voted, shall comply with the request.

8. (1) The Returning Officer shall cause a postal address list to be maintained. The postal address list shall contain the names and private addresses of all registered undergraduates of the University who have given written notification of a wish to receive voting papers.

(2) For the purpose of the election occurring in 1988, the postal address list (undergraduate) shall consist of all currently enrolled undergraduates.

(3) For the purpose of keeping the postal address list (undergraduate) up to date:

(a) the name and relevant particulars of each person who, since the last election, has enrolled as an undergraduate for the first time, or has re-enrolled as an undergraduate after an absence from the University of a year or more, shall be included on the postal address list (undergraduate) at least until the next election of Council members by undergraduates which requires a ballot.

(b) when an election of members of the Council by the undergraduates is held and a ballot is required, the casting of a vote (including an informal vote) by an undergraduate whose name is included on the postal address list (undergraduate) shall be deemed to indicate a wish on the voter's part that his or her name continue to be so included; and that name shall remain on the postal address list (undergraduate) accordingly at least until the next such election requiring a ballot.

(c) At any such election requiring a ballot an undergraduate whose name is included on the postal address list (undergraduate) and who does not return a vote shall, subject to (d) below, be deemed to have indicated a wish that his or her name not be retained in the postal address list (undergraduate); that name shall therefore be removed from the said address list.

(d) any undergraduate whose name is included in the said address list and who chooses not to vote in a particular ballot for the election of Council members by the undergraduates may, at the time of ballot, apply on a form provided for the purpose requesting that his or her name be retained in the said address list and the Registrar shall, on receipt of such applications, cause the applicant's name to remain on that address list at least until the next such election requiring a ballot.

(4) The postal address list (undergraduate) shall be reviewed annually to determine whether each person on it remains entitled to be so by virtue of being an undergraduate student on the first day of the month in which the election occurs.

(5) Any undergraduate, whose name has not been entered or retained on the postal address list (undergraduate), may at any time give written notification to the Returning Officer of a wish that his or her name be entered on the list. The written notification shall include the undergraduate's name, signature, student number and private address.

(6) The Returning Officer shall cause to be entered on the postal address list (undergraduate) the name and private address of any undergraduate who at any time gives written notification of a wish to be entered on or restored to it in accordance with these Rules. That name and address shall remain on the list at least until the next election of Council members by undergraduates which requires a ballot.

9. (1) A voter shall (a) place the voting paper inside the smaller envelope provided by the Returning Officer, seal the small envelope, place it inside the distinctive outer envelope; (b) give, on the back of the distinctive envelope, his or her name, private address, student number and signature; and (c) either place the envelope in a ballot box in the University grounds or post or deliver it to the Returning Officer at the University.

(2) No vote shall be counted unless the distinctive envelope containing it is placed in a ballot box before 6.00 p.m. or otherwise reaches the Returning Officer before 5.00 p.m on the appointed day for the election.

D. PROCEDURE FOR PROCESSING THE VOTING PAPERS

10. At some convenient time after the voting has closed the Returning Officer assisted by the scrutineers will:

(a) examine the details on the back of each distinctive envelope and determine whether the voter is entitled to vote and has voted once only;

(b) open each distinctive envelope, and remove the inner envelope containing the voting paper;

(c) place and mix each inner envelope with other similar envelopes.

11. When all the distinctive envelopes have been opened and the inner envelopes mixed with other similar envelopes, the Returning Officer assisted by the scrutineers will:

(a) open the inner envelopes and remove the voting papers;

(b) examine each voting paper to ensure that it represents a formal vote, and that each number is clear and unambiguous. (If, in any election in which there is more than one group of candidates, the voter's action in respect of any one group contravenes the instructions, the vote shall be regarded as informal in the election or group concerned but as formal in the groups in which it is correctly cast.);

(c) number each formal voting paper in the space in the top left hand corner, using the automatic numbering machine that will be provided;

(d) count the formal voting papers and the informal papers (if any), placing informal papers in a marked envelope;

(e) arrange the formal voting papers in numerical order, and clip or tie them together;

(f) deliver the formal voting papers to the Computing Centre, where each formal vote will be punched and verified.

12. The calculations and counting of the formal votes, and the procedures to be followed and the action to be taken by the scrutineers and the Returning Officer, will be in accordance with Chapter LXXXV of the Statutes.

13. The print-out of the recording and calculation of the votes shall not be a public document; but for any election the Returning Officer shall send to each candidate, for information, a summary of the total figures at each stage of the election. Such summary shall be available, on request, to any member of the electorate concerned.

The Howard Zelling Scholarship in Civil Law

Whereas the Honourable Dr Howard Zelling, AO, CBE, in recognition of more than 48 years association with the Faculty of Law, has paid the University the sum of \$75,000 to establish a scholarship to facilitate study, or further study, in civil law at a University in Asia, the following rules are hereby made:

Australia's export trade and commerce centres largely around raw materials and it is rare that the Australian contracting party can insist on the law of Australia being the proper law of the contract. It is essential therefore, that Australia has a supply of graduates who can advise Australians engaged in trades and commerce with civil law countries in Asia, on problems arising under the civil law. The scholarship shall be awarded by the Faculty to the best qualified graduate applicant or, if there is not a graduate applicant deemed to be of sufficient merit, to a suitable later year Bachelor of

Laws applicant who may count these studies towards their degree as deemed appropriate. Where there are two candidates of equal merit, the scholarship shall be shared equally.

4. If no suitable candidate is found, the scholarship will also be available to an applicant who wishes to gain experience of the operation of the civil law system in a European country.
5. The scholarship shall not be awarded in any year if, in the opinion of the Faculty, there is no candidate of sufficient merit.
6. All candidates shall submit a projected course of study with their application.
7. The period of the scholarship shall normally be of one year but shall not exceed two years.
8. The scholarship winner shall submit to the Faculty concurrently copies of reports, thesis and papers submitted to the Asian University at which they are studying.

The Medical Research Scholarships Fund

1. Three postgraduate scholarships will be created for research in Medical Science or a science closely allied to medicine. (The scholarships will be tenable in the Faculty of Medicine and other faculties).
2. In commemoration of substantial contributors to medical research funds, the scholarships will be named:

- The Reginald Walker Medical Research Scholarship,
- the Alfred and Ferrers Scammell Medical Research Scholarship,
- the Benjamin Poulton Medical Research Scholarship.

3. Each scholarship will be tenable for full time study at the University of Adelaide by postgraduate students who are enrolled for a research degree of Master, Doctor of Medicine or Doctor of Philosophy in a field of medical science.
4. In order to be eligible, applicants must be Australian Citizens or have Permanent Resident Status in Australia at the time of the nominated closing date for applications.
5. Selection will be undertaken by the Faculty of Medicine Research Committee. Its nominations will be forwarded to the Board of Graduates Studies for approval.
6. Selection will be undertaken on the basis of the academic merit and research potential of the applicants, with consideration also being given by the selection committee to the nature and possible value of the research being proposed. The selection committee may choose not to offer one of more scholarships or may request that any scholarship(s) be re-advertised if it is not satisfied with the standard of applications.
7. The scholarships will be administered by the Scholarships Officer.
8. No more than three scholarships will be tenable at any time. Further scholarships may only then be offered when a vacancy occurs through termination of a previously awarded scholarship.
9. The stipend for each scholarship will be determined on selection of a scholarship-holder. It will be fixed at either the current rate for scholarships offered by the National Health and Medical Research Council for Medical and Dental Postgraduate Scholarships (\$22,250 in 1995) or the current priority rate for Australian Postgraduate Awards (\$19,307 in 1995). The latter rate will generally apply to successful applicants other than graduates in Dentistry and Medicine. At the time of nomination of candidates to hold a scholarship, the Faculty of Medicine Research Committee will make a recommendation as to the level of stipend which it considers should apply in each instance.
10. Each scholarship will provide a maintenance allowance to assist the scholarship-holder to meet the expenses of the research project. The value of the maintenance allowance will be \$4,000 for each year of study. There will be a maximum of two such allowances for a Masters student and three for students for the degrees of Doctor of Medicine or Doctor of Philosophy.

Scholarships & Prizes, Amendments

Recommendations for any increase of the annual amount for maintenance will be made by the Faculty of Medicine Research Committee to the Board of Graduate Studies.

11. Scholarship-holders may apply to the Scholarships Officer for additional funding to assist in the payment of expenses incurred in overseas travel to undertake research which is essential to the higher degree being undertaken. Each such applicant will be considered on its merits and with consideration of the funds available. Interstate travel and all travel to attend conferences is excluded from this provision but support may be supported from the maintenance allowance, subject to supervisor's approval.

12. All other benefits and conditions of the scholarships including that of satisfactory progress are to be as specified for Australian Postgraduate Awards and University of Adelaide Scholarships, as administered within this University.

13. Tenure of a scholarship will confer no obligation other than that of full time research on the holder. A scholarship-holder will be supervised to the same extent and in the same way as other postgraduate students. It is intended that under these circumstances the scholarships will not be taxable.

14. The expenses of essential external advertisement of the scholarships are to be met from the Fund.

15. Any income from the Medical Research Scholarships Fund which remains unspent at the end of each year after financial obligations have been met will be capitalised in order to increase future income for scholarships.

16. Changes of rules and rates of allowances may be approved by the Board of Graduate Studies from time to time, where applicable in accordance with changes to the indexed rates payable under the relevant National Health and Medical Research Council and Australian Postgraduate Awards. Changes in the general purpose of the Fund may only be varied by the Council.

The Doris West Postgraduate Scholarships

The late Mrs Doris West graduated with the degree of Bachelor of Arts from the University of Adelaide in 1921. She was particularly concerned and involved with the interests of women graduates, both nationally and internationally. She was a keen music lover and frequently attended Elder Hall concerts.

Mrs West died in 1990. Her will provided for a bequest from her estate to the University of Adelaide. This amounted to about \$750,000.

The Council of the University at its meeting on 14 December 1990 approved that for an initial period of five years (1992 - 1996) a number of postgraduate scholarships for women students be established under the bequest. In addition, an amount of \$20,000 per annum from the bequest was designated for the purpose of supporting the Piano Appeal for the Elder Conservatorium for the next three years.

The following rules are proposed for the scholarships:

1. The scholarships shall be known as the Doris West Postgraduate Scholarships for Women.
2. The purpose of the scholarships is to encourage women graduates to consider undertaking full time postgraduate studies in the University of Adelaide by drawing attention to the presence of female postgraduate students of high achievement.
3. There shall be one scholarship available each year to applicants undertaking postgraduate degrees by research and one scholarship for students undertaking postgraduate degrees by course work.
4. The scholarship for research students shall be made available in the form of a supplementary scholarship. It will be offered to the female student at the University who occupies the highest position on the order of merit list in the annual competition for research scholarships and awards at the University of Adelaide and who proceeds to undertake full time research for the degree of Master or Doctor of Philosophy within the University. It is intended to be held in conjunction with an Australian Postgraduate Award or other scholarship.

- 4.1. The value of this supplementary scholarship shall be such as to bring the total income received by the holder from her award(s) and scholarship(s) to 10% more than the value of an Australian Postgraduate Award at the Priority Rate. In the event that the holder already receives income from awards and/or scholarships in excess of this figure, the value of the Doris West Scholarship shall be \$1,500.
5. The scholarship for course work students will be a full scholarship. It will be offered to the female student at the University who occupies the highest position on the order of merit list in the annual competition for course work scholarships and awards at the University of Adelaide and proceeds to undertake full time studies by course work for the degree of Master within the University.
- 5.1. The value of the scholarship shall be not less than the value of an Australian Postgraduate Award.
- 5.2. This scholarship is not intended to be held in conjunction with another major scholarship.
6. There shall be no other benefit under the scholarships.
7. Conditions of tenure, duration and renewal of both scholarships shall be as for Australian Postgraduate Awards and University of Adelaide Scholarships.
8. No separate application will be required for these scholarships. An application for an Australian Postgraduate Award at the University of Adelaide shall serve as an application for the relevant Doris West Scholarship.
9. Council may amend the rules of the scholarships from time to time.
