Special Programme
Celebration.

REG. 10.4:26 UNIVERSITY JUBILEE.

Special Programme Celebration.

Formerly part of the showground, and now coveted for an extension of the University of Adelaide The University buildings now extend, as will be seen, to the back fence.

versity site, he explained, was one cloistered seclusion, but modern ideas favored a more practical position. The University of Sydney was built two miles from the centre of the city, and because Chiversity of Systey was built two miles from the entre of the city, and because the hospital was so far away from the factor of the city, and because the hospital was so far away from the heart of Perth it had been found and the control of the c
