## TECHNICAL HIGH SCHOOL

# Crowd Attend Speech Day.

In the Brookman Hall of the School of Scho

Beethover, born in an attic, harassed it life by sickness and poverty, yet out of struggles was born the music that has tened millions. That you will prove and loyal citizens of your country earnest hope of your friends and teach the Adelaide Technical High School."

The Chambarter Interesting the prices, congratulated Sir Langdon BoarThe Chambarter Interesting the prices, congratulated Sir Langdon Boarthon, the council and staff, the head 
formances during the vear. He said that 
as Minister of Education he had many 
section was of Education he had many 
it would be wrong of him to say that any 
section was of greater interest to him 
as workshop in his early days, however, 
we was greatly interested in technical education in the language of the control of the control

haiment of the school and then above the haiment of the above and then above as the school in 1983, when then were 198 students. In 1223 Mr. Most and above a succeeding the most succeeding results in number of attents on the roll move was accomplished most succeeding results. This number of attents on the roll move as the succeeding t

and recitals, Miss M. Marks and Mr. B. Harford,
At the instance of Sir Langdon Bonython a hearty vote of thanks was accorded the Chairman. He congratulated the staff and all concerned on having maintained the high standard of the school during the year.
