SCIENTIFIC RESEARCH.

Sir Frank Heath, secretary of the Department of Scientific and Industrial Research, London, who is to enquire into and report on Imperial co-operation in scientific and industrial research, is expected to arrive in Adelaide about December 10.

THE UNIVERSITY COUNCIL.

To the Editor. Sir—In the leader in The Register of November 26 you draw attention to the undesirability of having three of the four permanent Judges of the Supreme Court on the University Council.

RHODES SCHOLARS AT OXFORD.

Mr. F. J. Wylie, the Oxford representative of the Rhodes Trustees, has forwarded to the general secretary for Rhodes scholarships in Australia (Dr. J. C. V. Behan) a copy of the report sent annually to the selection committee in each State.
