Professor R. A. Fisher,
Galton Laboratory,
University College,
Gower Street,
London, W.C.1.

Dear Fisher,

Do you think it is politic to publish the enclosed review? I think it is fair comment, but it might be better to ignore the work entirely. I think I should have done so had it not been that the authors laid claim to have summarised your work.

Thanks for the notice of Friedenreich's lecture, which I hope to attend.

Yours sincerely,

F. Yates
