28th September, 1956

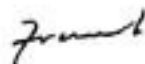

My dear Ron,

You will have had my letter concerning the recombination values. I am now returning you a copy of the manuscript so that you can compare my figures with yours. In the meantime I will hold over sending the material to Oliver & Boyd in case there are any further corrections.

Let me know at the same time about the inverse interpolation note.

I am looking forward to seeing how Pearson and Hartley and their followers reply to your note in the J.R.S.S.

Yours,

Professor Sir Ronald Fisher
