KING'S BUILDINGS

WEST MAINS ROAD  
27th February, 1961.

Dear Dr. Fisher,

I enclose a rough draft of a paper which we are proposing to read at the International Dairy Congress. I meant to have sent it you some time ago but I think I forgot to do so. I shall be very glad to have any observations you may have to make upon it.

We are busy on the Dairy Shorthorn but it will be about a year before we have any results.

Yours sincerely,

A handwritten signature in cursive script, reading "A.D. Buchanan Smith", with a horizontal line underneath.

Dr. R.A. Fisher,  
Rothamsted Experimental Station,  
Harpenden,  
HERTS.
