OXFORD.

3653/K.S.

Dear Mr Sisa,

Many thanks for your letter. I think you have made  
of my book a most dignified volume. I found Haldane  
deep in it on Friday, and expect there will be a run on  
him for reviews.

I shall be glad of the interleaved copy as I see  
I must have been rather careless in the final revision.

Yours sincerely,
