Dear Dr. Fisher,

I was away in Rome with a Library Commission when your book appeared: but I think it looks very well. I hope you are satisfied with it, and that it will have the reception it deserves. I forgot to say that we shall supply you with an interleaved copy when we can get our bindery to produce it.

I trust that if you produce more books, you will give us an opportunity of considering them, and continuing a pleasant association.

Yours sincerely,

*Kenneth Lian*
