Teddington

Mar 4.
[1942]

So sorry I never answered your kind invitation to lunch. My days have been very full, and I have not been able to see far enough ahead to make a plan. As far as I can see I shall be at a meeting ^{in London} next Wed. 4th which usually ends before lunch. If this suited you, and you could accept the improbable possibility of my being kept on late and so failing, may I join you at the Savile at 1.
