My dear Fisher,

Many thanks for your letter. I am so interested to hear of your work on Lotus corniculatus, and shall love to talk it over with you.

I am so glad to hear that you are taking a holiday in Scotland. I am sure the change will do you good.

How very kind of you to ask me over for the week-end of the 20<sup>th</sup>, and for one early in October. I return to Oxford this coming Saturday (6<sup>th</sup>) Unfortunately, however, my father is coming South on the week-end of the 20<sup>th</sup> and is anxious for me to meet him

in Bristol, which I think I ought to do.  
But I should be perfectly free for  
any week-end, as far as I know,  
after that of the 20<sup>th</sup>.

Right, I will exhibit the  
dominate : and, as you say, it  
will leave you more free for  
discussions and making necessary  
arrangements. But you know how  
much I love to share in the  
work with you in which you are  
taking so important a part, and in  
which I have the joy of your  
interest.

With best wishes to Ruth,

Ever yours,

Henry.
