

6 July 1933.

E.B. Ford, Esq., M.A.,
Dept. of Zoology,
University Museum,
OXFORD.

My dear Ford:

Thanks for your letter; is there any hope of getting you for a Family Allowances Committee on 21, 24 or 25 July, about 3-30 in the afternoon? I should enjoy meeting you in any case, and should want to talk over Galton Laboratory business, if you could give me the time.

Yours sincerely,
