

Oct. 31. 37

My dear Fisher

I was a little  
disturbed to see the cancellation  
of the grant to the Am. of Eugenics  
brought for discussion at the  
next Executive meeting. It  
seems to me that some of the  
other expenditures of the Society  
might be cut off more suitably  
than this. I suppose you will  
be at the meeting. If not I  
w<sup>d</sup> like to have your views  
before Tuesday.

Yours sincerely  
R. R. Gates
