

10th October 1933.

Dear Professor Wolf,

I am offering, largely in order to see what demand there may be for them, two courses of lectures in the evenings from 5-6 at the Galton Laboratory.

(1) "On the Logic of Experimentation" on Mondays.

(2) "On Quantitative Inheritance" on Wednesdays,

Any member of your staff who care to look in, are invited to tea at 4-30, in the Common room on the same floor,

Yours sincerely,

{  
Professor Lambie  
Professor Blackman  
Professor McBride  
}
