

8 April 1931.

Dr A Bradford Hill,
5 Brunner Close,
Litchfield Way,
Hampstead Garden Suburb,
N.W. 11.

Dear Bradford Hill,

I was afraid that we could not secure you, in the present mood of the Ministry. By the way, if you belong to the Eugenics Society, will you stand for Council? It is an odd body, on which a few level heads are wanted.

Yours sincerely,
