

DEPARTMENT OF GENETICS.
UNIVERSITY OF CAMBRIDGE.

Whittingehame Lodge,
44, Storey's Way,
Cambridge.

18th. February 1947.

My dear Jackson,

Thanks for your note. I am glad to hear that you may be in Cambridge so soon as April. I will now enquire about whether the college can find some lodgings for you, though, of course, in the end exact dates will be needed.

Of course I should be glad if you were to bring Glasgow along some time while you are here. It will be exceedingly interesting to me to have another instalment of your fly work to consider.

Yours sincerely,
