

2nd January, 1956.

My dear Maccacaro,

Joan and I would like to thank you again this year for the very magnificent sweets you have been kind enough to send. I do hope that Rina and Thomaso are well, and that you all enjoyed a very happy New Year. If you or Rina think of anything which I could buy for Thomaso, as you know it would always be a pleasure for me to do so.

Sincerely yours,
