Dr. P. C. Mahalanobis,  
Presidency College,  
College Street,  
Calcutta,  
India.

Dear Dr. Mahalanobis,

You are most heartily to be congratulated on the new Journal, and very especially on your own contributions. The work on Risley's data will be most valuable. I shall hope to hear and read more of your contributions as time goes on. It is a splendid start.

Yours sincerely,
