-----

18th February, 1957.

My dear Bill,

Since Courtney-Pratt rashly compassed the publication of our  
[A] correspondence, it appears that I have roused Dingle, as the  
enclosed interchange may show. They are sent for your amusement,  
and I hope you will bring them back when you come to stay in  
College.

Sincerely yours,

[x Discovery, 18: 56-7, 174 (1957)]
