

Dr.K.S.Rao.

London House,
Guilford St.,
London W.C.I,
20 January 1953.

Dear Sir Ronald,

I am extremely thankful for the kindness with which you gave me much of your time in the afternoon yesterday and the very rare opportunity to me of observing one of the foremost of scientists in action. It is difficult for me to express in words how much I value the opportunity I have had.

With best respects,

Yours sincerely,
K.S. Rao.
