

19th. July 1949.

My dear Gerard,

Thanks for your note and your kind invitation. I surely hope sometime, to stay with you again, meanwhile I hope you will remember that there is a room for you, any time you find it convenient to spend a night or two in Caius.

Yes, I consented to work for a term at Toronto, who invited me to come there January to March 1950. I expect

it will be alright, but infact not at ~~all~~ ~~in reason~~ of what I had reason
I had to expect, for Bullard and his family will by then be
back in England, I suppose in Teddington, since he is the new
head of the ^N P.L. I had hoped to see them all in Toronto,
and now we shall just play ~~ten~~ ^{coz} and ~~cards~~ ^{GoK}.

Yours sincerely,
