

being deceived. My sleep in their camps when they come every morning (only the women) children come if a man is ill I go there. I have seen foot & sick always by his woman.

What the group now here with me seems to be trying to do is to gather all those belonging to them & my old camps. They are Kabbale's mob "not Police mobs." I don't know what things they may tell signifying passengers. I believe I know whatever they tell them it will be all right. I am so glad I came back here - I endured because I saw rewards. You know there was nothing to how for my work except I had been except remembering.

I altho; the poor sick ones of those camps whom I left in 1935, have passed on - (they only wanted feeding like children & there was only me) yet every detail is coming out & my heart rejoices because I am so greatly pleased & I strain physically, but I don't relax & we have great fun daily when I give them a little flour & other food. They won't forget Kabbale & if in the new world that is to come after the war in the continent let them live their life they will be happy in recalling Kabbale's old miracles. This has made me so happy. God bless you dear friend my old New Year bring us all Peace in Earth God we love you. I can't read much at a time but eyes behave very well. My dearest love thanks to you for the paper. In passing I have the
